Celebrating Motorsports in Dixie

HELLO CCAers! Allow me to introduce myself. My name is **AUDIE GIBSON** and I am running for the position of South Atlantic Regional Vice President. I have been active in the BMW CCA for around nine years and have helped First Coast Chapter resurrect from a marginal chapter in 1988 to a viable, very active chapter of 180 members with an average of 18% to 20% active core group. I have been on First Coast's Board of Directors for eight years serving three times as President, and various other positions. I have seen and understand the problems chapters can have. I also have a commodity that few of us have. **TIME**. My job gives me fourteen days a month off. This would allow me to visit each chapter at least twice a year if not more. So if you want a very active and attentive VP, vote for Audie Gibson. Thanks!
